

PerfectDeed

Crowdfunding & Fundraising *simplified*

PerfectDeed's all in one Social Fundraising and complete Donor Management platform is designed to support the most complex requirements for your next fundraising campaign or any social initiative you might have.

Our centralized and complete online solution gives you the ability to leverage social fundraising and provides the right tool for your day to day tasks all year around: efficiently manage your donors, teams, payments, receipts, emails, reports, and more. Create branded fundraising campaigns in minutes using our built-in features to raise more money than you ever thought possible.

Customizable campaigns: PerfectDeed allows you to share a compelling story for each of your campaigns, and let you create a personalized page with customized texts, images, and videos. The application provides a simple way to create a personalized page for each campaign and provides an easy way for visitors to make donations.

Mobile Compatibility: Your fundraising campaigns and events will be accessible from any device with an outstanding mobile-friendly user experience.

Social Sharing Tools: The option to share your campaigns on your supporters' preferred social media channels will be in plain sight on your campaign's page, so that it's a click away. Social sharing amongst your supporters widens your outreach without any additional effort.

Payment Management: Our platform includes a fully automated payment system which will save you time and money by reducing human errors, missed or declined payments. Efficiently manage one-time and recurring payments, either by credit card or pre-authorized bank transfers.

Give your donors flexibility by allowing them to make payments monthly, bi-weekly, weekly, or even daily. Automated scheduling ensures timely payments, real-time verification and instantly sends receipts to your donors upon successful payment.

PerfectDeed gives you a complete view of all transactions with advanced filtering options with export capabilities in different formats (PDF, CSV) and keeps detailed records, so you know the status of all payments in real-time.

Secure Access: PerfectDeed provides your donors a dedicated secure access portal so that they can make new donations, view their scheduled and payment history, download their tax receipts (stored for ten years), and update their profile and payment methods.
